THE GAME

3D arcade flying racing game

1-4 players local or online multiplayer with spectate mode.

Third person perspective.

Goal of the game

Compete against other players to fly/glide their paper plane the furthest to achieve the highest score on the leaderboard.

Explore and discover the city

Environment

Fly through different levels each being a different iconic city.

Powerups and elemental items such as wind boosts or hidden shortcuts hidden throughout the level.

Developed in Unity

Control flight using WASD and pickups using Q and E.

Mobile touch thumbstick.

THE WORLD

The setting

Explore and race through iconic cities around the world.

The characters

Different paper plane types each with unique advantages and disadvantages.

The narrative

What started as a friendly competition between four friends as a way to pass the time while in self isolation quickly turned into something more. After sharing this idea via social media it became a viral sensation and a wide spread competition.
